"Not One Gray Hair, Now"

"And my hair was quite gray a short time ago!"

It was falling out, getting brittle and stringy. My scalp was filled with dandruff and itched almost constantly.

A few applications of Kolor-Bak produced a wonderful improvement. The itching stopped instantly. There was no more dandruff. And—marvel of marvels—it is now restored to its original color—not a gray hair shows anywhere!

Kolor-Bak is not a dye or stain. It is colorless, stainless, harmless and restores original color to gray hair simply by putting hair and scalp in a healthy condition. Send for our special trial offer: also Free Book on Hair which explains how Kolor-Bak restores gray hair to its original color.
